About CSRBOX

CSRBOX is India's leading CSR knowledge and impact intelligence-driven platform that supports and assists mission-driven organizations and philanthropists in achieving breakthrough impact. We acquaint them with communities' challenges, opportunities, and needs, followed by finding and implementing the most impactful solutions to community problems.

Our young team of in-house social sector thematic experts, data analysts, and researchers understand the community needs that fall within several thematic areas; they identify target groups, do depth research and structured interviews on the field and paint a comprehensive picture that helps create and implement solutions.

Harnessing our years of experience and understanding of the Indian development sector and beyond, we have planned and accomplished several projects with major companies. Our major work involves impact assessments, due diligence of NGO partners, designing CSR policy and strategies, employee volunteering, SROI, and programme implementation.

About India CSR Summit & Exhibition

It has been eight years since the new Companies Act came into force and CSR became mandatory in India. These eight years have seen a lot of change and development in India's CSR ecosystem. CSR, as a practice, has moved over these years from mere philanthropy to actionable projects that realize the opportunities for significant shared value creation.

We have been hosting India CSR Summit & Exhibition' (India's largest CSR event) for the past eight years. This year, the 9th edition of the Summit will be held on the 15th and 16th of November, 2022, at Hotel Pullman, New Delhi. The Summit is expected to have 2500+ delegates, including 500-600 corporate CSR heads and 1400-1500 non-profits.

8th CSR Impact Awards 2022: The CSR Impact Awards is an initiative of CSRBOX to encourage companies, CSR foundations, and CSR implementing partners to deliver high impacts through CSR projects and adopt a multi-stakeholder approach leading to excellence in project impacts. The Awards seek to appreciate and recognize project-specific impacts made by the organizations in particular thematic areas.
