About NGOBOX

NGOBOX (a venture of Renalysis Consultants Pvt Ltd) is a development communication platform helping companies, CSR foundations, NGOs and social enterprises to network, communicate and find resources online and offline. We are a leading CSR research platform in the country with over 70 data-reports on CSR in India. We help companies and CSR foundations to identify credible CSR implementing agencies based on thematic and geographic priorities. With a verified database of over 95000+ non-profits, CSR Teams and social enterprises, we present immense opportunities for organizations to promote their products/services with one-click promotion and outreach. To know more about us, please visit www.ngobox.org

About CSRBOX

CSRBOX is India's largest Corporate Social Responsibility (CSR) analytics and information platform. It lists CSR portfolio of 1000 + companies falling under the ambit of mandatory CSR and investing altogether more than INR 10,000 Cr. on CSR projects each year. The platform takes the engagement with organizations a step higher, where not-for-profits and social enterprises are provided support and outreach services to help them connect with businesses that are looking for good CSR implementation partners. The symbiotic partnership service also focuses on facilitating business-business (B2B) collaboration for larger CSR projects that ultimately helps in reducing the duplication of efforts by various agencies. Broadly, it's a combination of online and offline support services to businesses, CSR service providers and CSR implementation partners to actualize CSR partnerships. For more information, please visit www.csrbox.org

About India Impact Forum

India Impact Forum 2020 aims to create and communicate new ideas with smart planning and active leadership that will make CSR unit as a central hub to a company's ongoing social impact. India Impact Forum brings together leading social entrepreneurs and influencers from the domains of impact investment, corporate responsibility, philanthropy, governance, technology, and public policy to discuss and deliberate on social development challenges. The Forum will provide meaningful opportunities and resources to implementing agencies who are looking for new avenues of corporate partnerships. On the other hand, companies/donor agencies will also receive a credible platform to create new connections to partner with and deliver high impact CSR projects. India Impact Forum 2020 will discuss the need to engage with Sustainable Development Goals (SDGs) in a way that helps in developing strategies to manage the social and environmental performance of companies.

About India CSR Summit & Exhibition

India CSR Summit & Exhibition is an annual event curated and hosted by NGOBOX & CSRBOX. The event is the largest CSR forum in India bringing together companies, CSR foundations, government agencies, non-profits, social businesses and advisory firms to network, collaborate and scale up initiatives in development and impact sector. The event also witnesses annual 'CSR Impact Awards' for best of CSR projects in various thematic areas. Beginning in New Delhi 2014, the event has been hosted in Bengaluru, Mumbai, Gurugram and New Delhi in 2015, 2016, 2017, 2018 and 2019 respectively.
